Big Holy Name News, we have put together a Day of Reflection to be held on March 5, 2016 at the Teresian Center on Airport Road here in Covington. The even better news is that Father Charles has agreed to be our spiritual leader. So, mark your calendar and save the date.

We have moved our banner to a locked closet in the church. Our dust cover was lost sometime during the course of the year and a replacement is being made. So remember the banner has been moved.

We are planning a covered dish dinner jointly with the Altar Society to be held on Saturday November 7, 2015 at St Benedict's. Save that date also.

Speaking of the Altar Society we held our joint corporate communion this past month which was a great success which was well attended and is an arrangement we will want to do again.

We made our Holy Name presentation for membership at all of the masses recently. We have gotten one member as a result of our efforts to date, however, we believe other men will join. Father Charles was very kind to give us the time and we owe him our gratitude.

This past Saturday was our bicycle dinner fund raiser, we served about 190 plates of jambalaya, green beans and dessert. Tom Seeger our guest chef put together the jambalaya. Our members did the preparation on Friday. The Altar Society made desserts for us. We are indebted to Mel Calderone who donated sausage and to John Karpa who donated pork, their generosity made a major difference to our bottom line.

Father Charles has decided to have coffee and donuts after the 10:30 AM mass once a month. He says a large number of young couples with children attend this mass and he feels it will be a good opportunity for fellowship as well as a treat for the children. We are working out the details now, the next date is October 4, 2015.

God Bless
Warner

Padre's Piece
Fr. Charles Benoit,
O.S.B.

Jesus teaches his disciples that whoever wishes to be great among them must be a servant, just as he came to be a servant. This was certainly visible in the actions of Pope Francis whether he is riding in a Fiat or deciding to have lunch at a soup kitchen rather than with members of Congress. October 18th is World Mission Sunday, a time when the Church invites us to remember our call to be good stewards of the Gospel and to support those who make evangelization their ministry throughout the world. Not to be a servant of the Gospel would be poor stewardship. But how do we serve the Gospel? How do we support others who serve those who have never heard the

Gospel? I invite us this month to commit ourselves to develop a missionary heart.
