Warner Daniel informs us that Turkey Gumbo will be served at the regular meeting, so don't eat at home and come and enjoy some food and fellowship. Come hungry.

**Padre's Piece  
Fr. Charles Benoit, O.S.B.**

For the past 50 years, each January 1st the Church celebrates the annual World Day of Peace. In his message for this year's celebration, Pope Francis speaks of the importance of the family in promoting a culture of nonviolence and peacemaking: *The politics of nonviolence have to begin in the home and then spread to the entire human family. St Therese of Lisieux invites us to practice the little way of love, not to miss out on a kind word, a smile or any small gesture which shows peace and friendship. An integral ecology is .. made up of simple daily gestures that break with the logic of violence, exploitation and selfishness.*

As we are leave 2016 behind and embark on another year, let our prayer be that violence will cease and that all our families will grow strong in faith and love, and that love will spread out from them to bring peace in our world.

I wish you a very happy and peaceful New Year and every blessing in 2017.

Fr. Charles
